	Aesthetic/Reconstructive Surgery	

NHIS Services Charges/rates include anaesthetic fees.

It does not include

- bed fees (General ward),
- Nursing charges,
- Surgeons, Consultants fees (initial and subsequent daily for the period of admission),
- Blood and Oxygen Charges,
- Cost of Medicines and Drugs,
- Cost of Prosthetic Devices, implants,
- X-Ray and Diagnostic Tests.

These are listed elsewhere and are to be calculated and submitted to the HMO and in the case of the bed fees, the HMO or the Primary Provider Facility as appropriate.

Please note that except where a procedure is clearly excluded and is listed in the NHIS exclusion list, the enrollee is to pay only 10% of the drugs cost. To do otherwise is a breach of NHIS operational guidelines and will attract sanctions. For procedures that are partially excluded, the enrollees is expected to pay 50% of the cost.

Note: this Professional fee for service charges/tariff is not in any way exhaustive. NHIS Reserves the right to interpret the list. Such interpretations will be included in subsequent editions.
